I received a beautiful handcrafted Noah's Ark pin from a friend recently. This unique "wearable art" piece designed and made by Art to Wear in Modesto, California, reminded me of something I recently read in a publication called "The Fishwrapper". I would like to share it with you. Enjoy!

Pastor Jean

**Everything I Need to Know
I learned from Noah's Ark.**

- Make sure you don't miss the boat.
- Plan ahead. It wasn't raining when Noah built the ark.
- Stay fit. When you're sixty years old, someone may ask you to do something really big.
- Don't listen to critics; just get on with the job that needs to be done.
- Build your future on high ground.
- For safety's sake, travel in pairs.
- Speed isn't always an advantage. The snails were on board with the cheetahs.
- When you're stressed, float awhile.
- Remember, the ark was built by amateurs; the Titanic by professionals.
- No matter the storm, when you are with God, there's always a rainbow waiting.
